

THE MAN BEHIND THE TALENT

MARK DOBSON | INSPIRATIONAL SPEAKER | PERFORMANCE COACH | KEYNOTES & CONSULTANCY | FOR WHEN YOU'RE GOOD, BUT WANT TO BE AWESOME!

Mark Dobson is obsessed with developing talent and has successfully done it on the world stage in sport, education and business.

SPORT

Mark has advised athletes to medals at 2 Olympics, 2 Winter X Games, multiple World Championships and 7 world records. In the lead-up to the Beijing Olympics, Mark spent an entire year advising Australian Olympic Swimming Coach Ian Pope, coach of Grant Hackett, Michael Klim, Matt Welsh and World Champion, Matt Targett.

EDUCATION

Mark was a founding member of Bard High School Early College in New York City, acknowledged by President Obama for its educational innovation and now the model for 63 new universities being built by the Bill and Melinda Gates Foundation.

Mark is also the author of two best selling books in the education market – Rise Above, and Back Off Bully.

BUSINESS

Mark has implemented and presented innovation solutions to businesses around the world. He led Australian business, The Summit, through a 300% growth in a 12 month period and consulted to Braaap Motorcycles as they grew 300% above the industry average in 12 months.

“Mark has a clear understanding of the mind-set required to gain the edge needed for optimal performance.”

IAN POPE – AUSTRALIAN OLYMPIC SWIMMING COACH

“Mark was pivotal in growing us 300% above the industry growth rate and becoming Australian specialised retailer of the year. He is a gold mine of strategy and insights, collected from all the incredible people he has worked with.”

BRAD SMITH – CEO, BRAAAP MOTORCYCLES

“Mark injected an amazing amount of energy into our organisation and for me personally, was a real inspiration.”

PAUL BURGESS – CEO, LINK UP INTERNATIONAL

Other adventures have seen Mark lead a social responsibility project for American housing magnate and billionaire Bob Toll, be shot at in a tribal war, leap from a sinking raft in a hurricane, and perform stand-up comedy in New York City.

Give Mark a specific brief and he will customise a presentation to your needs.

You will find Mark the most unique and captivating of speakers. He bypasses fluffy theory, instead sharing proven strategies which you can use in your professional growth immediately.
